BRIAN SMITH, PRINCIPAL

Greetings Parents and Families of Station Camp Middle School,

My name is Brian Smith and I am thrilled to join the Station Camp Middle School community as Principal. Mr. Brown is both a mentor and friend and I consider it a true honor and privilege to be able to follow in his giant footsteps and continue the tradition of success here at SCM. Our staff and faculty are of the highest caliber and I know that we will work tirelessly to ensure our students are supported and pushed to new levels academically, socially, athletically, and artistically.

I am originally from Spokane, WA and have lived in Middle Tennessee with my wife Angie for 12 years. We have a 4-year-old son named Crosby. Before this position I served as a Middle School Instructional Coordinator for Sumner County Schools, music teacher at Gene Brown Elementary, and Dean of Culture in Metropolitan Nashville Public Schools. I hold a Bachelor of Music in Music Education and Instrumental Performance from the University of Idaho Lionel Hampton School of Music and a Master of Science in Educational Leadership from the University of Tennessee at Martin.

As an instructional coordinator I was able to work with many of our SCM educators as well as with Mr. Brown, Mr. Simmons, and Mr. Lovett on a regular basis. I was consistently impressed with the high standards set by the faculty, staff, and administration as well as with the perseverance, determination, and focus of the SCM students to reach and surpass all expectations. We will continue this drive for excellence through providing our students first class 21st Century learning opportunities built on academic standards, social connections, creative expression, and real-world application each and every day. We will also lean on you, our families and partners, to ensure the shared goals for our children are communicated, supported, and celebrated throughout the school year.

As we begin this school year I encourage you to check our website on a regular basis. Our website has a current school calendar, faculty and staff information, registration information, extracurricular opportunities, and pictures and blurbs celebrating all of the great accomplishments here at SCM. Also, please do not hesitate to reach out to me through email, phone, or in person, as your support and feedback are vital to the success of our students. I will be in the building all summer and would love to meet with anyone who has the time to come in. I will also be available during our registration nights from 5:00 pm – 7:00 pm (6th grade – July 31, 7th grade – August 1, and 8th grade – August 3).

I take great pride in ensuring the safety and educational success of our students and look forward to getting to know and work with all of our families within this exceptional school community.

Go Bison!

Brian Smith – Principal
