Dear Community Partner,

It's time once again for Station Camp Middle School's annual fundraiser, Spring Online Silent Auction coming up April 22-27, 2022. The purpose of our fundraising event is to increase the support of our teachers and school administrators as well as our students. On behalf of the Parent Teacher Organization, I would like to extend this invitation to join us in making this event a huge success for our SCMS Bison.

You can help our school by donating goods or services which will be highlighted in our auction. With nearly 1,000 students in our school, the exposure for your business is broad. The silent auction is our primary fundraiser, and we could not do it without the support of neighbors and business owners. Your donation will be displayed including the information about your business.

Every donation counts! The proceeds of the auction go toward purchasing technology, STEM resources, related arts materials, and supplies to enhance the students educational experience and prepare them for a bright future. Thank you for your consideration.

Please mail donations to the attention of Kerry Arrington at the above middle school address or email to [ptoscms@gmail.com](mailto:ptoscms@gmail.com). Also, do not hesitate to reach out to me at (615) 476-1985 if the donation requires pick up or you have questions.
