\$5.00 Membership fee paid on _____ with cash check (# _____)

Lunch in the Library

BOOK CLUB

Book Club is a time for students who love to read, or who are at least interested in reading, to share their ideas and thoughts about what they have read or hope to read. **It meets every other Wednesday starting August 31st during each lunch period and is open to everyone.** The fee of five dollars goes toward snacks and materials.

During book club meetings students are allowed to bring their lunch into the library and discuss what they have been reading. We will sometimes all read the same book. It is important that members are reading so they are able to contribute to the discussion.

In addition to announcements made at school, I will communicate with members using Remind.com to remind them about meetings. This sends a text message to the student/parent's phone. No one can reply to the message, and no one can see anyone else's phone number. It is not required to enroll in this service to be a member. To enroll in this service - text this number (615) 651-6959 with this message@74387

**In order to participate first semester, your application is due
no later than**

September 28th.
