

SCMS Online Math Textbook Information

Updated 8/31/15

1. Go to textbook website – <http://resources.carnegielearning.com> (this link is on the textbook page also)
2. Select **Course 1 for sixth grade**, **Course 2 for seventh grade**, or **Course 3 for eighth grade** from the drop down menu.
3. Seventh grade teachers have created a generic student log in that all students can use. Username = 7student Password = scms
4. **Students can also use this activation code to create their own log in – 49274-4802. This is recommended. This code is specific to SCMS.**
5. If you make your own username, an activation email will be sent to you. Please check for this and complete this step.

Using the Resource Center with your personal log in

- To access textbook files, click on the **“Textbooks”** button.
- To launch the MATHia or Cognitive Tutor software click on **“Software”** tab, then click on the “Go” button under **“Access Software”**. You must have a username and password to do these features.
- For help with your Resource Center account or with the software or textbooks, click on the **“Support”** button.
- If you are using the MATHia or Cognitive Tutor software for the first time, there is a helpful interactive tutorial on the **“Online Training”** page. Other helpful documents are under the **“Support”** tab.
- Use **“Your Account”** to change your account preferences.

Getting Help

- **If you require help while registering for or using the Carnegie Learning Resource Center, please contact them at help@carnegielearning.com or call this number 877-401-2527.**
