Dear Parents,

I am proud to be sponsoring a new club that will begin at Station Camp Middle School called the ***Bison P3 Club (Positive Peer Pressure)***. This club is about forming a community of students who strive to make Station Camp Middle School a positive environment for everyone. As part of the Bison P3 Club, students will work to promote understanding and appreciation of other students' unique backgrounds, cultures, experiences, and personalities. Club members will create school-wide campaigns which encourage showing empathy and becoming advocates for each other, as well as supporting physically and mentally healthy life choices. Some of the activities in which Bison P3 Club members will participate include events to raise awareness for anti-bullying, suicide prevention, and drug/alcohol abstinence. The club will meet once a month to develop ideas and work toward goals such as placing visually impactful artwork in prime areas of the school and creating skits to encourage students to make good choices. The students who join the club will be expected to come to meetings prepared to work on coming up with ideas and/or resources for each month's campaign. I look forward to working with each student and hearing his or her ideas about how we can all become a community of students who care about and believe in each other.

Please fill out, sign, and return to Mrs. Joley if you would like to allow your student to participate in the Bison P3 Club.

____ I understand that my child must be picked up no later than 3:40 on the first Monday of each month following Bison P3 Club meetings.
