Which book was your favorite book of the five books you read for the BINGO? Was it fiction or nonfiction? What made you decide to read it?

Write a book review for that book. It must be at least five sentences long and include specific details from the book to support your review. **Remember that a book review is not a summary of the book but a brief sentence or two of what it is about and then your thoughts about the book and support for those opinions.** You are trying to persuade someone to read the book or not to read the book so make it sound like you have an intelligent opinion. **Please answer in complete sentences.**

Pick one of the fiction books you read and describe what one event in the book you would change. How would your change affect the rest of the book? You should include what really happened in the book and your changes in your answer. Please answer in complete sentences.
